With great pleasure, Minister, I submit the first report of the Alberta Foundation for the Arts. The creation of the Foundation has brought responsibility for all regular arts funding by the Province of Alberta together in one agency with a mandate to assist the development of all the arts. Writers, publishers, visual artists, gallery directors and other arts administrators, actors, dancers, musicians, and other artists, and arts organizations of all kinds, benefit from provincial grant support, to create a flourishing arts scene in Alberta. It's a scene that has been described as "one of Canada's best kept cultural secrets".

This report contains the financial statements for our first seven months, and an account of all grants made from April 1, 1991 to March 31, 1992, even though those made before September 1 were actually decided by the Boards of the three previous foundations, as the grants were awarded in the knowledge that this Foundation was coming into being. We are grateful to the Government for the allocation from the Lottery Fund that made the grants possible.

The Foundation's first Board included three members from each of the Alberta Art Foundation, the Alberta Foundation for the Performing Arts, and the Alberta Foundation for the Literary Arts, with the Chairmen of the latter two serving as Vice Chairmen of the new Foundation, plus three members drawn from the community at large. This arrangement ensured both continuity and fresh outlooks for the Board, as we began what has been an enormous learning experience.

In our first seven months, we continued the grant programs in support of the arts that have made Alberta a leader in this field, and began the planning of a series of regional meetings to discuss arts funding in Alberta with the people whose activities are affected by our policies. The Board decided to continue the process of acquisition of works by Alberta artists that had been practised by the Alberta Art Foundation; in fact, one of the decisions at our first meeting, in September, 1991, was to confirm the purchase of 34 works recommended by the jury that had been established by the Foundation. The works were by 32 artists, 11 of whom were new to the collection. Another of our first acts was to respond to the review of the Alberta Heritage Scholarship Fund, and to initiate discussions to enlarge the activity of the Fund in support of the arts in Alberta. Some Members

of the Board and I met with members of the Canada Council during the latter's meeting in Edmonton in September, 1991.

One of the most significant developments in the transfer of grant programs to the Foundation has been the increasing use of juries to recommend grants to individuals and all project grants. We can thus be sure that informed, expert guidance is available to the Board for its grant decisions. The process also brings a number of artists, administrators and teachers into the grant process and lets them make recommendations and comments to the Board relative to our programs. Nearly 100 jurors helped out in this way in 1991/92.

We have put together a small staff to support the Foundation's activity, but for grant administration and a number of other services we have relied on the help of Alberta Culture and Multiculturalism. The Department not only provided our Executive Director, but gave us the time and expertise of staff whenever we needed them, whether from the Arts Branch, Cultural Industries, Libraries and Community Development, or Finance and Administration. On behalf of the Board of the Alberta Foundation for the Arts, please accept our thanks and appreciation of the Government's help, from your Department, from Public Works, Supply and Services, and from Alberta Lotteries.

Executive Director's Introduction

This report includes listings of grants made throughout the fiscal year 1991/92 by this Foundation, and by the Alberta Art Foundation, the Alberta Foundation for the Performing Arts, and the Alberta Foundation for the Literary Arts, because many of the grant programs had payments made at various times by more than one of these agencies.

As the Chairman has noted, the increasing use of juries to recommend grants has been a major development in the provision of support through the Foundation. Arts, library, and cultural industry organizations, and individual members of the community, are invited to nominate persons to serve as jurors for Alberta Foundation for the Arts programs; forms are available from the Foundation or from the Department.

Details of the art acquisition activity of the Foundation can be found later in this report - a total of 185 works were purchased.

The Foundation was asked to accept responsibility for providing the funding for the cultural component of Alberta Games, effective in the next fiscal year, and began discussions with the Alberta Sport Council to maintain that program without disturbing the processes the Council has established with host communities around the province.

The Foundation continued the "pilot program" which extends the Amateur Operating Assistance grants to performing arts organizations in the multicultural community. Commitments were made to a total of 191 organizations, 101 by the Alberta Foundation for the Arts (\$475,000) and 90 by the Alberta Multicultural Commission (\$125,000).

The project grants of the Foundation are investments in the talent, skills and dedication of artists and organizations in the province. Among the grants this year, as usual, there were some of immediate significance, including two which helped young musicians take part in major competitions. Claude Lapalme, the conductor of the Red Deer Symphony, received a grant to help him attend the International

Competition for young conductors in Besancon, France, where he placed second, and the seven-year-old violin prodigy from Edmonton, Jessica Linnebach, received a grant which helped her attend the Canadian Music Competitions in Ottawa, where her mark of 99% from the jury gave her a share of the National Competition First Prize and the Birks Family Foundation Scholarship.

Operating support to arts organizations (and cultural industry and library organizations) takes up the largest part of the dollar value of the Foundation's grants, and covers a wide range of activity, from the Calgary Centre for Performing Arts to the Writers' Guild of Alberta, the Alberta Community Art Clubs Association, Edmonton Opera, and the Alberta Library Trustees Association. Nearly everyone in the province is served or entertained by organizations and individual artists who benefit from the Foundation's programs.

I am proud of the Foundation's achievements, not only of the effectiveness of our programs, but of the efficiency of our operations. The cost of administering the Alberta Foundation for the Arts is low, thanks in large part to the great help we receive from Alberta Community Development, but also to the talented and devoted people who work for the Foundation: W. Tin Ng, Administrator; Marie Achtymichuk, Research Officer; Rona Landry, Administrative Assistant; Gail Lint, Art Maintenance Officer; Monica Tap, Art Program Officer; Hal Wong, Financial Assistant; and Bruce Wright, Art Program Assistant.

Art Acquisition

To further its mandate as outlined in the Alberta Foundation for the Arts Act, the Foundation continued the art acquisition policies established by the former Alberta Art Foundation. From September 1, 1991, to March 31, 1992, the Foundation expended \$266,919 for the purchase of 185 artworks, produced by 131 Alberta Artists (Appendix 1). At March 31, the art collection consisted of 4,460 artworks, with a market value of approximately \$4,500,000, representing some 1,200 artists in the categories of painting, sculpture, printmaking, ceramics, drawing, fibre art, photography and mixed media.

Artworks were purchased through Regional Acquisition Committees, as well as the annual, juried, Art Acquisition Through Slide Submission Project. In addition to the purchases, the Foundation received two generous donations: a series of 27 prints by Jane Evans from the artist, and a Bill Laing etching from a private collector in Toronto.

The art collection of the Alberta Foundation for the Arts constitutes a valuable component of the cultural heritage of this province. The artworks are maintained for enjoyment by the people of Alberta and for the benefit of future generations. Attention is given to the care, handling and presentation of all artworks through standard museum conservation measures. Environmental conditions: temperature, humidity, light levels, and security are important considerations when exhibiting the artworks. When not on display, artworks are stored in a secure and environmentally controlled vault.

Art Exposure

To provide exposure for the artists and opportunities for the public to enjoy original works of art, the Foundation utilizes its collection in exhibitions and art loans to government offices and not-for-profit organizations.

Exhibitions

The following exhibits were mounted in venues in Alberta and British Columbia:

Top Notch: Purchases from the 1990 Art Acquisition Through Slide Submission Project

Provincial Travelling Exhibition Program

The Foundation renewed the contracts with four public galleries to implement this province-wide exhibition program, through which original artworks toured libraries, schools, civic centres, museums and exhibition facilities in rural communities as well as major centres throughout Alberta.

The four contracted galleries are: the Prairie Gallery, Grande Prairie; Muttart Art Gallery, Calgary; the Southern Alberta Art Gallery, Lethbridge; and the Edmonton Art Gallery, which also coordinated the overall program.

The themes of the exhibitions, which include both historical as well as contemporary interests, are as varied as the audiences. On display for an average of 3 to 4 weeks per venue, the shows feature the artistic creations of emerging and internationally acclaimed artists. The sources include private collections, public and commercial galleries, and the collection of the Alberta Foundation for the Arts.

During this 7 month period, 53 exhibitions were viewed by an estimated 150,000 people.

The regional breakdown is as follows:

- Region I** (Peace Region & Northern Alberta)
- 12 exhibitions at 19 venues
- Region II** (Edmonton & North Eastern Alberta) - 15 exhibitions at 32 venues
- Region III** (Calgary & Central Alberta) - 13 exhibitions at 24 venues
- Region IV** (Lethbridge, Medicine Hat & Southern Alberta) - 13 exhibitions at 12 venues

Art Loan

Under the Art Loan Program, the art collection gains additional exposure to a wide audience. Artworks are lent, free of charge, to venues located in Alberta, outside the province and abroad. They enhance the offices and public spaces of government departments and non-profit organizations. The program encourages borrowers to select a variety of styles and subject matters, to reflect the diversity of the collection. Artworks are also lent to galleries across the country for exhibition purposes. Close to 2,000 artworks were lent to 208 venues (Appendix II).

Promotion and Education

“Investing in Art” Television Series

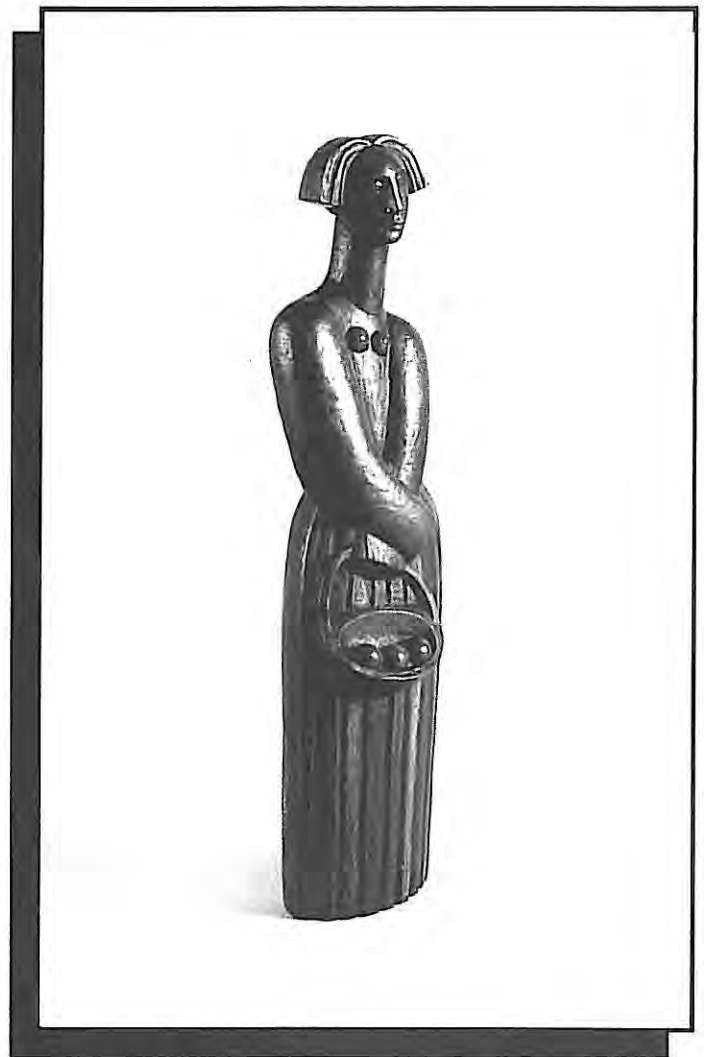

Many of Alberta’s visual artists receive recognition through the Foundation’s educational projects, such as the video program, Investing in Art. Initiated by the Alberta Art Foundation, this series offers insight into the “hows” and “whys” of purchasing art, and broadens the awareness of the high-calibre art being produced in Alberta. The artists and their works are effectively captured in 7-minute vignettes broadcast to thousands at home in Alberta, Canada and the United States.

The first video in the series featured: Ted Godwin (Calgary), Alan Reynolds (Edmonton), Vivian Thierfelder (Stony Plain), Janet Mitchell (Calgary), Alex Janvier (Cold Lake), and Irene McCaugherty (Fort Macleod).

Investing in Art II was completed in 1992 and includes: John Hall (Calgary), Katie Ohe (Calgary), RFM. McInnis (Edmonton), John Snow (Calgary), Jane Ash Poitras (Edmonton), and Mitsu Ikemura (St. Albert). All artists featured in the videos are represented in the Foundation’s collection.

“Alberta Artists Image Bank”

The Alberta Artists Image Bank portfolio was produced primarily to complement the Alberta Art Curriculum. Each portfolio consists of 60 full colour reproductions of artworks from the collection of the Alberta Foundation for the Arts, and includes data about the work and biographical information about the artists. The images are securely packaged in a durable portfolio made of recycled plastic and are available for purchase by teachers, schools and school boards.

Adjudicators

Financial assistance programs, for grants to individuals and for projects, were juried. Thousands of applications were reviewed by the following adjudicators. Their recommendations and comments were presented to the Foundation Board for discussion and approval. Adjudicators were nominated by individuals and organizations in the arts, library, and cultural industries communities, and by Alberta Community Development. The Foundation is profoundly grateful to these jurors, who brought their experience and knowledge to the service of the grant process, and gave their advice to the Foundation on its programs.

Auditor's Report

ALBERTA FOUNDATION FOR THE ARTS
FINANCIAL STATEMENTS
MARCH 31, 1992

To the Members of the Alberta
Foundation for the Arts

I have audited the balance sheet of the Alberta Foundation for the Arts as at March 31, 1992 and the statements of revenue, expenditure and fund balance, equity in artworks and changes in financial position for the period September 1, 1991 to March 31, 1992. These financial statements are the responsibility of management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Foundation as at March 31, 1992 and the results of its operations and the changes in its financial position for the period September 1, 1991 to March 31, 1992 in accordance with the disclosed basis of accounting as described in Note 3 to the financial statements.

Grants

Grants are recorded as expenditure when authorized by the Board and when eligibility conditions for the grants have been satisfied.

Artworks

Purchased artworks are recorded at cost. Cost includes the appraised value of donated artworks at date of acquisition. Appraisals are performed by Foundation personnel or by a professional appraiser selected by the Foundation.

Artworks assumed from The Alberta Art Foundation on September 1, 1991 have been recorded at the book value at which they were recorded by The Alberta Art Foundation.
